TREAT GETS HIS JOB BACK

Report Has It That Hopkins is to Suc ceed Postmaster Fred Read-Great Disappointments For Peachy's Friends-Pow-Wow of Virginia Re publicans at Capital Yesterday.

Captain J. E. B. Stuart, recently appointed United States marshal for the Eastern Virginia district, is to be collector of customs for this port, succeeding the late J. W. Elliott. The present term expires in less than a year, but it is generally understood that the man filling the unexpired term will be reap- JOHN CLAIBORNE

Until a few days ago Captain Stuart's name had not been mentioned in connection with the collectorship and at no time was it thought that there was a possibility of his being given the ap-pointment; therefore telegrams bringing the news from Washington yesterday afternoon were received with the greatest surprise.

How it Came About.

With the public generally here the result of the contest seems to be rather disappointing. Saturday it was belleved that the appointment of Mr. A. C. Peachy was practically assured and it was thought that if, by any chance, he should fall to get the appointment, Mr. W. T. Hopkins would be collector It appears, however, that the Republican moguls of Virginia couldn't get together on Peachy and the present slate is supposed to have been agreed upon as a compromise.

Held Great Pow-Wow.

There was a great pow-wow of Virginia Republicans in Washington yesterday. Every member of the local city committee, with one exception, was in Washington, Various conferences were held and it is said that State Chairman Slemp, Judge Lewis and Judge Waddill finally decided to ask the president to appoint Mr. Stuart collector. It is said that the desire of the powers to re-instate Former Marshal J. Mor gan Treat, who was succeeded by Captain Stuart, was largely responsible for the unexpected turn of affairs. It is also understood that the patronage dispensers decided to make Mr. W. T. Hopkins postmaster for this city to succeed Postmaster Fred Read, but there has been no official announcement of such a decision.

Messages by telegraph and long-distance yesterday afternoon brought the

CURED BY CUTICURA IN TWO WEEKS

Mrs. George J. Steese, of 701 Coburn St., Akron, Ohio, tells in the following letter of another of those remarkable cures, of torturing, disfiguring akin humors daily made by Cuticura Soap, assisted by Cuticura Ointment, after physicians, and all else had failed: "I feel it my duty to parents of other poor suffering babics to tell you what Cuticura has done for my little daughter. She broke out all over her body with a humor, and we used everything recommended, but without results. I called in three doctors, they all claimed they could help her, but she continued to grow worse. Her body was a mass of sores, and her little face was caten away, her ears looked as if they would drop off. Neighbors advised me to get Cuticura Soap and Ointment, and hefore I had used half of the cake of soap and box of ointment the sores had all healed, and my little one's face and body was as clear as a new-horn babe's. I would not be without it again if it cost five dollars, instead of seventy-five cents, which is all it cost us to cure our baby, after spending many dollars on doctors and medicines without any benefit whatever." letter of another of those remarkable benefit whatever."
